## CITY OF CREATIVITY AND DESIGN

Courses for Summer 2012:

### PHOTOGRAPHY IN BERLIN

A three-week photography workshop in the sexy, edgy German capital, Berlin. This intensive course will include studio visits with professional photographers, artists, galleries and museums, focusing on contemporary and historical photography.

### THE BAUHAUS & ARCHITECTURE IN BERLIN

Field trips on bikes, by foot, and bus will give you the opportunity to visit the architectural highlights of Berlin and beyond. Our main focus will be the International Style of the 1920s, city planning in the 1930s and the impact of Germany's separation and unification on the capital.

### DIGITAL ILLUSTRATION IN BERLIN

Gear up for the digital world of moving images and video games with a solid foundation in traditional and digital techniques including life drawing, digital painting, drawing foundations, 3D modeling, and animation.

### BERLIN CULTURE AND HISTORY

Discover the famous and hidden cultural treasures of past and present Berlin. We will explore historical movements and current scenes. The course will introduce you to conventional and digital culture of the city.

### EXCURSIONS INCLUDED IN THE PROGRAM

- // Checkpoint Charlie
- // East Side Gallery at Berlin Wall
- // Brandenburg Gate
- // Reichstag Building and the Federal Parliament
- // New National Gallery
- // Daytrip to Potsdam and Sanssouci Palace

btk will advise you on travel arrangements upon request. Please note that international students are responsible for their visa, travel documents and health insurance.

For further information on the btk Summer School Program, detailed course descriptions and application details, please refer to [www.btk-fh.de/summerschool](http://www.btk-fh.de/summerschool). Register online!
